THE COLLABORATIVE
Homeschool Enrichment Center

Open Gym

- ✓ Tuesdays 1:15-2:00
- ✓ Prek-2nd
- ✓ Offered by: Samantha Darling

Students will enjoy active play time in a fun and supportive environment led by a certified Physical Education tutor. Students will build coordination, confidence, and social skills while staying active. Open Gym is a great opportunity for children to develop healthy habits and have fun with friends.

Mix, Measure, and Make

- ✓ Tuesdays 1:15-2:00
- ✓ 3rd-6th
- ✓ Offered by: Ashley Bowman

Get ready to stir, pour, create, and experiment! This hands-on class combines the fun of a snack factory, slime lab, and crazy chemistry workshop as students mix up tasty treats, stretchy slime, fizzy reactions, and other creative projects. It's the perfect elective for curious kids who love to explore, create, and don't mind getting a little messy!

Fun with Paper

- ✓ Tuesdays 1:15-2:00
- ✓ 3rd-6th
- ✓ Offered by: Mary Miller

Discover just how creative a simple sheet of paper can be! Students will explore a variety of paper crafts, including beginner card making, scrapbooking, collages, paper mâché, and other fun hands-on projects. This class encourages creativity, fine motor skills, and artistic expression while students create keepsakes they'll be proud to take home.

Coding

- ✓ Tuesdays 1:15-2:00
- ✓ 3rd-8th
- ✓ Offered by: Patrick Mostyn

This class is perfect for curious minds who love technology, innovation, and bringing their ideas to life. Students will explore computer science and AI using a lego kit and guided instruction.

Dollars and Decisions: An Economics Elective

- ✓ Tuesdays 1:15-2:00
- ✓ 7th-12th
- ✓ Offered by: Daniel Lyford

What does it really cost to live your dream life? In this interactive elective, students step into adulthood by receiving a career, salary, monthly budget, and financial responsibilities. Throughout the semester, they'll navigate real-world economic events such as paying bills, managing debt, saving for emergencies, investing, buying a home or car, changing jobs, and handling unexpected expenses. Through interactive simulations, challenges, and group activities inspired by the classic game of Life, students will build financial confidence while learning practical money management skills they'll use for years to come.

Public Speaking

✓ Tuesdays 1:15-2:00

✓ 7th-12th

✓ Offered by: Kaileigh Phillips

Build confidence and strengthen communication skills in this engaging, interactive class! Students will practice public speaking through impromptu challenges, storytelling, discussions, debates, and formal presentations in a supportive and encouraging environment. Whether speaking to a small group or a larger audience, students will gain valuable skills that will benefit them both in and out of the classroom.
