Nature Club

- ✓ Tuesdays 2:15-3:00
- ✓ Prek-6th
- ✓ Offered by: Kate Hajec

Step outside and discover the beauty of the natural world that surrounds our campus! Students will explore local habitats through nature walks, hands-on investigations, nature-inspired crafts, and engaging stories while learning about the plants and animals that call our area home. Along the way, we'll foster curiosity, build friendships and gain appreciation for the incredible world God has created.

FALL 2026

ENRICHMENT

Photography

Adventure Activities

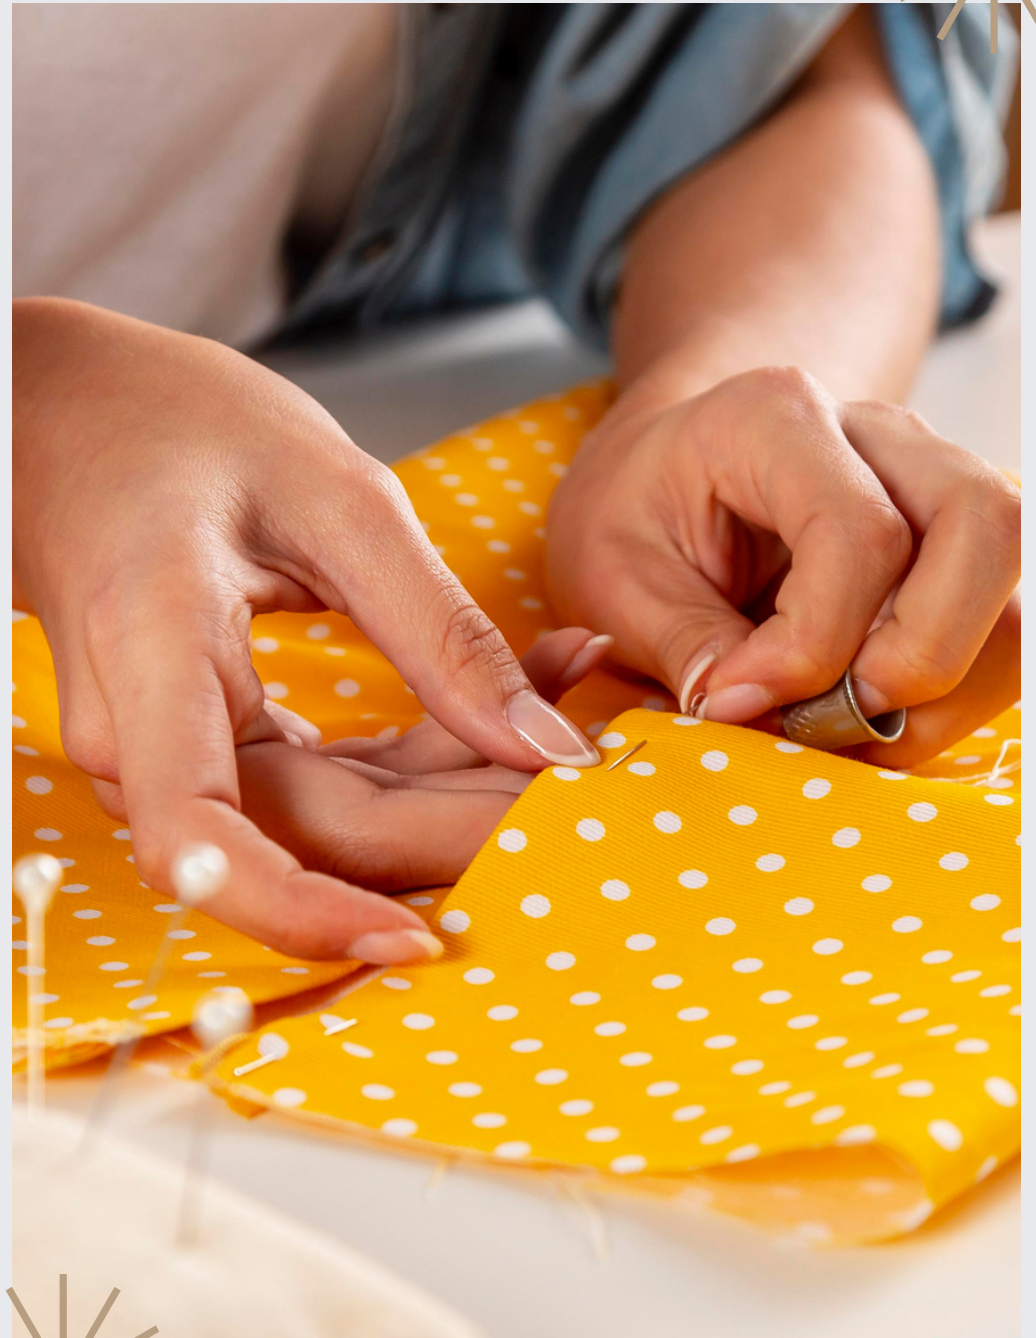

- ✓ Tuesdays 2:15- 3:00
- ✓ 7th-12th
- ✓ Offered by: Samantha Darling

Students will grow through fun, interactive challenges designed to build trust, confidence, teamwork, and problem-solving skills. Through cooperative games and group activities, they'll learn to encourage one another, overcome obstacles, and develop lasting friendships.

Beginner Sewing

- ✓ Tuesdays 2:15- 3:00
- ✓ 7th-12th
- ✓ Offered by: Tonie Liddle

Students will develop foundational skills in hand sewing, machine sewing, and basic embroidery while creating a variety of beginner-friendly projects. This class encourages creativity, patience, and confidence as students learn practical skills they can enjoy for years to come.

Card Making & Scrapbooking

- ✓ Tuesdays 2:15- 3:00
- ✓ 7th-12th
- ✓ Offered by: Mary Miller

Students will learn the basics of scrapbooking and card making while exploring the art of faith-booking—using journaling, photos, and creative designs to document God's faithfulness through life's experiences. Each project becomes a beautiful keepsake that celebrates both creativity and faith.
